

IT'S TIME.... TO COMMIT FOR LIFE IN 2008

IT'S TIME.... to COMMIT FOR LIFE by donating your life-saving blood. You can do this by signing up to donate and donating on **May 4** at the third drive of the year at St. Peter's to be held in Lott Fellowship Hall from 8:00 a.m. to 12:30 p.m.

For your blood donation on **May 4**, you will:

- save up to three lives with your donation
- receive points for your donation to use in the Commit for Life Store
- have a heart full of love and a better day knowing you have helped someone else live another day..... or week.... or longer.

Gulf Coast Regional Blood Center's goals for 2008 have increased due to the demand for blood and blood products in our Region. Therefore, so have the goals for blood collected by St. Peter's increased for 2008.

Please help St. Peter's reach its 2008 goals by signing up on Sunday, April 20 or Sunday, April 27 to donate on **May 4**.
